This custom four bedroom/3 bath brick home features a unique sunken living room with a floor-to-ceiling fireplace that is open to the family room and formal dining area. The bay window in the eat-in kitchen overlooks a charming patio and large backyard filled with fruit trees, pecan trees and various foliage. The oversized bedrooms add to the feeling of spaciousness, and one of the bedrooms would make the perfect game room or office. The circle drive, beautiful trees and multi-level landscaping make for great curb appeal. If you're in the market for a home, this is a MUST SEE!
