This is the best little hunting ranch in Goliad County!!! The property is located approximately 10 miles west of Goliad, Tx on Highway 59. One and a half hours from San Antonio and Corpus Christi. It is raw land with beautiful oak trees. Electricity is across the road and a water is shallow here. This is a surface only estate. The ranch neighbor in the back is very large. Hunting is excellent and game is abundant. It will not last long as small properties are rarely on the market here. Restricted against mobile homes and no further development as this is part of a larger property and seller will build on parcel they are retaining. They is truly a lovely home site or weekend hunting ranch! The Seller stated that one of the biggest deer in the county was killed here.

The Seller will consider owner financing with credit approval and 25% down. To be surveyed at closing.
